The Marches Meadow Group focuses on the area from Pontesbury in the north to Clun in the south and from Montgomery in the west to Church Stretton in the east.

Members from outside this area are welcome but the services of the contractor may not be available outside the area described.

The aims of the Marches Meadow Group are to:

- Promote the conservation of existing species-rich meadows
- Increase the number and area of species-rich grasslands through appropriate enhancement
- Support meadow owners with advice and access to small scale hay-making machinery
- Publicise the beauty and value of wildflower rich meadows and their associated animals
- Give advice and support to create just a small patch of meadow in your garden

Marches Meadow Group offers:

For everyone

- *Conservation and enhancement of meadows and other grasslands, including lawns, road verges & public open spaces*
- *Publicising the threats to meadows and the measures that can be taken to save them*
- *Workshops, visits and talks on aspects of meadows*
- *Social occasions – meet with other meadow enthusiasts*
